

# PROJECT PHAYAO

February 2026

Doug@mycrosspoint.org

Following the Christmas festival we went to Phayao for a few days. We got to show off the location of our future school/church and see other cultural sites. We also got to do an English Fun Day at a school in Phayao. It was wonderful teaching the meaning of Christmas to kids that we may be teaching in the near future. We had a cultural day on Tuesday and then Wednesday we had an English fun day at another school. All together we got to teach over 300 kids the meaning of Christmas. We finished the busy week with a staff Christmas party at our house.

## DECEMBER TEAM

We welcomed a team of eight from Crosspoint who partnered with us for outreach, teaching and community events. We got to start the week with Christmas themed coffee house celebration with our Tue/Thurs students! Then we had a Christmas party with the Cell group young adult students! On Sunday we had a Christmas outreach event for the church body. People brought food from their own cultures to share, I made 8 gallons of chili.. It was gone much quicker than I expected. Many times they do not like western food, but they loved the chili!

## A HUGE THANK YOU

Thank you to all who sent the staff and us Christmas goodies, it was much appreciated by all!

Thank you to all who hold us up in prayer and support the ministry financially.

We sure miss our friends and family in the states, but we are where God wants us, and that is what is important..

Check out the new look of our website.

## NAVIGATORS 2:7 SERIES

Over the last year many of us have been working through the 3 book Navigators 2:7 Study. It is designed to help us become better followers of Christ by instilling study time habits and scripture memory. We will complete the study as we move to Phayao - it is perfect timing!

My teacher in Thai school has been helping me memorize several verses in Thai. I am working on the Roman Road now. I cannot wait to share the gospel in Thai...

## CHRISTMAS IN JANUARY

MFU University has their Christmas celebration every January because of their December schedule. The Christian club organizes it and several local churches and ministries help make it happen.

We enjoy participating every year. The students are amazing. There were several hundred in attendance. It was an amazing event. There were many students who accepted Jesus that night!! This is why we are here..

We have friends here who have some students from their ministry starting at the University of Phayao next term. It will be awesome to have an IN with the students.
